Dear Sir/Madam:

You have indicated that you wish to submit to International Networks, LLC ("Company") certain ideas, concepts, proposals, marketing or promotional formats, treatments or other material (the "Material"). By signing this letter ("Release") in the space indicated below and returning it to us, you confirm that you have read the enclosed Company policy concerning the acceptance of the Material for review, and you also accept the terms of this Release. The material should be summarized on the attached Schedule A and submitted with a signed original of this Release.

The following will constitute our agreement with respect to the Material:

1. In consideration of your agreement to the terms and conditions set forth below, Company agrees to cause its appropriate employee(s) (and/or any other person(s) that Company deems appropriate) to review the Material.
2. You acknowledge that there does not now exist, nor has there ever existed, a fiduciary relationship between you and Company. You requested this opportunity to submit the Material to Company and you make this submission voluntarily and on an unsolicited basis. You and Company have not reached any agreement concerning the use of the Material and you realize that no obligation of any kind is assumed by, or may be implied against, Company unless and until a formal written contract has been entered into between you and Company.
3. You declare that all of the relevant features of the Material, and the particular items being submitted by you (e.g. script, outline, treatment, drawings, photographs, taped materials, etc.) are summarized on Schedule A annexed to this Release, and you have not given or disclosed any other features of the Material to Company.

You acknowledge that this Release covers and governs any and all of the Material, whether first submitted to Company contemporaneously with, or prior to, or following the execution of this Release.

You warrant that you are the sole and exclusive creator, author and owner of the Material, and that to your knowledge no one else has any right to the Material. You further warrant that no rights in the Material have previously been granted to anyone nor has the Material been otherwise exploited in any way, and you believe the Material and its features to be unique and novel.

However, you shall not assume or infer from the fact that Company accepts your offer to submit the Material to Company, that Company regards the Material or any part thereof, as novel, valuable or usable. You recognize that other persons, including Company employees, may have submitted to Company or to others or made public, or may hereafter originate and submit to Company or to others or make public, similar or identical material which Company will have the right to use, and you understand that you will not be entitled to any compensation because of Company's use of such other similar material. Subject to the foregoing provisions, Company will not make any use of any legally protectable portion of the Material unless you and Company have a fully executed agreement concerning your compensation for such use.

4. You agree that any claim, controversy or dispute arising hereunder shall be resolved by binding arbitration in the County of Denver, State of Colorado, in accordance with the rules and regulations of the American Arbitration Association then in effect, provided that said arbitration shall be heard before a single arbitrator experienced in entertainment law and business practice, and judgment upon the award of the arbitration shall be entered and enforced in any court of competent jurisdiction.

5. You have retained a copy of this Release and of the Material, and you release Company from liability for loss or damage to the Material. You also acknowledge and agree that Company is not obligated to return the Material to you. Company's review of the Material constitutes Company's acceptance of the terms and conditions set forth herein. Company agrees to use reasonable efforts to keep the Material confidential.

6. This Release constitutes our entire understanding and agreement, and supersedes all prior understandings, whether written or oral.
